

# Burn – Ellie Goulding

We, we don't have to worry bout nothing  
Cause we got the fire, and we're burning one hell of a something  
They, they gonna see us from outer space, outer space  
Light it up, like we're the stars of the human race, human race

When the lights turned down, they don't know what they heard  
Strike the match, play it loud, giving love to the world  
We'll be raising our hands, shining up to the sky  
Cause we got the fire, fire, fire, yeah we got the fire fire fire

And we gonna let it burn burn burn burn  
We gonna let it burn burn burn burn  
Gonna let it burn burn burn burn  
We gonna let it burn burn burn burn

We don't wanna leave, no, we just gonna be right now  
And what we see, is everybody's on the floor acting crazy getting lurker to the  
lights out  
Music's on, I'm waking up, we stop the vibe, and we bump it up  
And it's over now, we got the love, there's no secret now, no secret now

When the lights turned down, they don't know what they heard  
Strike the smash, play it loud, giving love to the world  
We'll be raising our hands, shining up to the sky  
Cause we got the fire, fire, fire, yeah we got the fire fire fire

And we gonna let it burn burn burn burn  
We gonna let it burn burn burn burn  
Gonna let it burn burn burn burn  
We gonna let it burn burn burn burn

When the lights turned down, they don't know what they heard  
Strike the match, play it loud, giving love to the world

We gonna let it burn burn burn burn burn burn  
Burn burn burn burn burn burn

We can light it up up up  
So they cant put it out out out  
We can light it up up up  
So they cant put it out out out  
We can light it up up up  
So they cant put it out out out  
We can light it up up up  
So they cant put it out out out

When the lights turned down, they don't know what they heard  
Strike the match, play it loud, giving love to the world  
We'll be raising our hands, shining up to the sky  
Cause we got the fire, fire, fire, yeah we got the fire fire fire

And we gonna let it burn burn burn burn  
We gonna let it burn burn burn burn  
Gonna let it burn burn burn burn  
We gonna let it burn burn burn burn

When the lights turned down, they don't know what they heard  
Strike the match, play it loud, giving love to the world  
We'll be raising our hands, shining up to the sky  
Cause we got the fire, fire, fire, yeah we got the fire fire fire

And we gonna let it burn
