

# Hour Of The Wolf – Elnur Hüseyinov

I hold my breath, I´m on the edge  
Storming hills, I´ve been lost and found  
I hope they're coming, I can hear them running  
I once met peace, he said that he  
Soon would have the answers to this hurt  
And my mind was made up, I would never give up  
No I won't sleep tonight  
If tomorrow comes I'll loose my mind  
I won't give up my right,  
I know every heart deserves a fight  
I will beat on the drum, rise above with me  
I will go till I'm numb, rise above with me  
No I won't sleep tonight  
They whine and roar, hungry for more  
Yellow glowing eyes, I´m hypnotized  
I feel brave yet scared, but I'll stay prepared  
Oh have my soul, it´s destined  
It´s written in the sky  
Let me not be blinded by this hurt  
Set him loose I´m ready  
For the stars to guide me  
No I won't sleep tonight  
If tomorrow comes I'll loose my mind  
No I won't sleep tonight  
If tomorrow comes I'll loose my mind  
I won't give up my right,  
I know every heart deserves a fight  
I will beat on the drum, rise above with me  
I will go till I'm numb, rise above with me  
No I won't sleep tonight  
No I won't sleep tonight
