

# Kiss Me Quick – Elvis Presley

Kiss me quick, while we still have this  
Feeling  
Hold me close and never let me go  
'Cause tomorrows can be so uncertain  
Love can fly and leave just hurting  
Kiss me quick because I love you so  
Kiss me quick and make my heart go crazy  
Sigh that sigh and whisper oh so low  
Tell me that tonight will last forever  
Say that you will leave me never  
Kiss me quick because I love you so  
Let the band keep playing  
While we are swaying  
Let's keep on praying  
That we'll never stop  
Kiss me quick just can't stand this waiting  
'Cause your lips are lips I long to know  
Oh that kiss will open heaven's door  
And we'll stay there forevermore  
Kiss me quick because I love you so  
Let the band keep playing  
While we are swaying  
Let's keep on praying that we'll never stop  
Kiss me quick I just can't stand this  
Waiting '  
Cause your lips are lips I long to know  
Oh that kiss will open heaven's door  
And we'll stay there forevermore  
Kiss me quick because I love you so
