

## Read all about it – Emeli Sandé

You've got the words to change a nation  
But you're biting your tongue  
You've spent a life time stuck in silence  
Afraid you'll say something wrong  
If no one ever hears it,  
How we gonna learn your song?  
So come on, come on  
Come on, come on

You've got a heart as loud as lion  
So why let your voice be tamed?  
Baby we're a little different  
There's no need to be ashamed  
You've got the light to fight the shadows  
So stop hiding it away  
Come on, Come on

I wanna sing, I wanna shout  
I wanna scream till the words dry out  
So put it in all of the papers,  
I'm not afraid  
They can read all about it

At night we're waking up the neighbours  
While we sing away the blues  
Making sure that we remember  
Yeah, Cause we all matter too  
If the truth has been forbidden  
Then we're breaking all the rules  
So come on, come on  
Come on, come on,

Lets get the tv and the radio  
To play our tune again  
It's bout time we got some airplay of our version of event

There's no need to be afraid  
I will sing with you, my friend  
Come on, come on

I wanna sing, I wanna shout  
I wanna scream till the words dry out  
So put it in all of the papers  
I'm not afraid  
They can read all about it

Yeah, we're all wonderful, wonderful people  
So when did we all get so fearful?  
Now we're finally finding our voices  
So take a chance, come help me sing this

Yeah, we're all wonderful, wonderful people  
So when did we all get so fearful?  
And now we're finally finding our voices  
Just take a chance, come help me sing this

I wanna sing, I wanna shout  
I wanna scream till the words dry out  
So put it in all of the papers
