

# Choose Ur Fighter – Emeline

Choose another  
When you choose a lover  
That's when you'll choose your fighter  
(Mm-mm-mm)  
Some of my exes are ugly  
Some of my exes are vain  
Some of them fucked me like heaven  
But pleasure don't make up for pain  
Some of my exes are no one  
Some of my exes have fame  
Each of them loved me so different  
But all of them hurt me the same  
When you choose another  
Make sure you do it wiser  
'Cause when you choose your lover  
That's when you choose your fighter  
When you choose another  
Make sure you do it wiser  
'Cause when you choose your lover  
That's when you choose your fighter  
Na-na-na-na, na-na-na-na  
Na-na-na-na, na-na-na-na  
Na-na-na-na, na-na-na-na, na-na-na-na  
If they're making you cry  
Then you better not blink  
'Cause, baby, only one fighter  
Makes it out of the ring  
Hair slicked back, gloves bubblegum pink  
You don't wanna see what happens  
When I'm right on the brink  
Some of my exes still love me  
Some of my exes throw hate  
But I think it's funny  
When they try to blame me  
'Cause they knew the rules to the game  
When you choose another

Make sure you do it wiser  
'Cause when you choose your lover  
That's when you choose your fighter  
When you choose another  
Make sure you do it wiser  
'Cause when you choose your lover  
That's when you choose your fighter  
Na-na-na-na, na-na-na-na  
Na-na-na-na, na-na-na-na  
Na-na-na-na, na-na-na-na  
Na-na-na-na, na-na-na-na  
Choose  
When you choose  
When you choose  
When you choose
