

Big Big World – Emilia

I'm a big big girl in a big big world
It's not a big big thing
if you leave me
But I do do feel that I do do will
miss you much
Miss you much...

I can see the first leaf falling
it's all yellow and nice
It's so very cold outside
like the way I'm feeling inside
I'm a big big girl in a big big world
It's not a big big thing if you leave me
But I do do feel that I do do will
miss you much
Miss you much...

Outside it's now raining
and tears are falling from my eyes
why did it have to happen
why did it all have to end
I'm a big big girl in a big big world
It's not a big big thing if you leave me
But I do do feel that I do do will
miss you much
Miss you much...

I have your arms around me warm like fire
But when I open my eyes you're gone...

I'm a big big girl in a big big world
It's not a big big thing if you leave me
But I do do feel that I do do will
miss you much
Miss you much...

I'm a big big girl in a big big world
It's not a big big thing if you leave me
But I do feel that I will miss you much
miss you much...
