

# Open Up Your Eyes – Emily Blunt

It's time you learned a lesson  
It's time that you understand  
Don't ever count on anybody else  
In this or any other land  
I once hoped for friendship  
To find a place among my kind  
But those were the childish wishes  
Of someone who was blind  
Open up your eyes  
See the world from where I stand  
Me among the mighty  
You caged at my command  
Open up your eyes  
Give up your sweet fantasyland  
It's time to grow up and get wise  
Come now little one  
Open up your eyes  
We all start out the same  
With simple naïve trust  
Shielded from the many ways  
That life's not fair or just  
But then there comes a moment  
A simple truth that you must face  
If you depend on others  
You'll never find your place  
And as you take that first step  
Upon a path that's all your own  
You see it all so clearly  
The best way to survive is all alone  
Open up your eyes  
And see the world from where I stand  
Me among the mighty  
You caged at my command  
Open up your eyes  
And behold the fading light  
It's time to grow up and get wise

Come now little one  
Open up your eyes  
Open up your eyes
