## Lose Yourself - Eminem

Look If you had One shot Or one opportunity To seize everything you ever wanted In one moment Would you capture it Or just let it slip? Yo His palms are sweaty, Knees weak, arms are heavy There's vomit on his sweater already, Mom's spaghetti He's nervous, but on the surface He looks calm and ready To drop bombs, but he keeps on forgettin' What he wrote down, The whole crowd goes so loud He opens his mouth, But the words won't come out He's chokin', how, everybody's jokin' now The clocks run out, times up, over, blaow Snap back to reality, ope there goes gravity Ope, there goes Rabbit, he choked He's so mad, But he won't give up that easy? No He won't have it, He knows his whole back's to these ropes It don't matter, he's dope, He knows that, but he's broke He's so stagnant, he knows, When he goes back to this mobile home, That's when it's Back to the lab again, yo, This whole rhapsody

Better go capture this moment and

Hope it don't pass him You better lose yourself in the music, The moment You own it, You only get one shot,

You better never let it go

Do not miss your chance to blow

This opportunity comes once in a lifetime

You better lose yourself in the music,

The moment You own it,

You better never let it go

You only get one shot,

Do not miss your chance to blow

This opportunity comes once in a lifetime

You better

His soul's escaping,

Through this hole that is gaping

This world is mine for the taking

Make me king, as we move toward

A New World Order

A normal life is borin',

But super stardom's close to post mortem

It only grows harder, only grows hotter

He blows, it's all over,

These hoes is all on him

Coast to coast shows,

He's known as the Globetrotter

Lonely roads, God only knows,

He's grown farther from home, he's no father

He goes home and

Barely knows his own daughter

But hold your nose

'cause here goes the cold water

These hoes don't want him no mo',

He's cold product

They moved on to the next schmo who flows,

He nose dove and sold nada

So the soap opera is told and unfolds,

I suppose it's old partna,

But the beat goes on

Da-da-dum, da-dum, da-da

You better lose yourself in the music, The moment You own it, You better never let it go You only get one shot, Do not miss your chance to blow This opportunity comes once in a lifetime You better lose yourself in the music, The moment You own it, You better never let it go You only get one shot, Do not miss your chance to blow This opportunity comes once in a lifetime You better No more games, I'ma change what you call rage Tear this motherfuckin' roof off Like two dogs caged I was playin' in the beginnin', The mood all changed I been chewed up and spit out And booed off stage But I kept rhymin' And stepped right in the next cypher Best believe somebody's payin' the Pied Piper All the pain inside amplified by the Fact that I can't get by with my nine to Five and I can't provide the right type of Life for my family 'cause man, These goddamn food stamps don't buy diapers And its no movie, there's no Mekhi Phifer This is my life and these times are so hard And it's getting even harder Tryna feed and water my seed, plus Teeter totter, caught up between Bein' a father and a prima donna Baby mama drama, screamin' on her, too much For me to wanna stay in one spot, Another day of monotony's Gotten me to the point, I'm like a snail I've got To formulate a plot or end up in jail or shot

Success is my only motherfuckin' option, Failure's not Mom, I love you, but this trailer's got to go I cannot grow old in Salem's Lot So here I go, is my shot Feet, fail me not, This may be the only opportunity that I got You better lose yourself in the music, The moment You own it, You better never let it go You only get one shot, Do not miss your chance to blow This opportunity comes once in a lifetime You better lose yourself in the music, The moment You own it, You better never let it go You only get one shot, Do not miss your chance to blow This opportunity comes once in a lifetime You better You can do anything you set your mind to, man
