Mockingbird - Eminem

Hailie I know you miss your mom And I know you miss your dad When I'm gone but I'm trying to give you The life that I never had I can see you're sad, Even when you smile, even when you laugh I can see it in your eyes, Deep inside you want to cry Cuz you're scared, I ain't there? Daddy's with you in your prayers No more crying, wipe them tears Daddy's here, no more nightmares We gon' pull together through it, We gon' do it Laney uncles crazy, aint he? Yeah but he loves you girl And you better know it We're all we got in this world When it spins, when it swirls When it whirls, when it twirls Two little beautiful girls Lookin' puzzled, in a daze I know it's confusing you Daddy's always on the move, Mamma's always on the news I try to keep you sheltered From it but somehow it seems The harder that I try to do that, The more it backfires on me All the things growing up his daddy That he had to see Daddy don't want you to see But you see just as much as he did We did not plan it to be this way, Your mother and me But things have gotten so bad between us

I don't see us ever being
Together ever again
Like we used to be when we was teenagers
But then of course everything
Always happens for a reason
I guess it was never meant to be
But it's just something
We have no control over
And that's what destiny is
But no more worries,
Rest your head and go to sleep
Maybe one day we'll wake up
And this will all just be a dream

Now hush little baby, don't you cry
Everything's gonna be alright
Stiffen that upper lip up little lady,i told ya
Daddy's here to hold ya through the night
I know mommy's not here right now
And we don't know why
We fear how we feel inside
It may seem a little crazy, pretty baby
But i promise momma's gon' be alright

It's funny I remember back one year When daddy had no money Mommy wrapped the Christmas presents up And stuck 'em under the tree And said some of 'em were from me Cuz daddy couldn't buy 'em I'll never forget that Christmas I sat up the whole night crying Cuz daddy felt like a bum, See daddy had a job But his job was to keep the food On the table for you and mom And at the time Every house that we lived in Either kept getting broke into and robbed

Or shot up on the block and your mom Was saving money for you in a jar Tryna start a piggy bank For you so you could go to college Almost had a thousand dollars Till someone broke in and stole it And I know it hurt so bad It broke your momma's heart And it seemed like everything Was just startin' to fall apart Mom and dad was arguin' A lot so momma moved back On the Chalmers in the flat One bedroom apartment And dad moved back to the other side Of 8 Mile on Novara And that's when daddy went to California With his CD and met Dr Dre And flew you and momma out to see me But daddy had to work, You and momma had to leave me Then you started seeing daddy on the TV And momma didn't like it And you and Laney were to young to understand it Papa was a rollin' stone, Momma developed a habit And it all happened too fast for either One of us to grab it I'm just sorry you were there And had to witness it first hand Cuz all I ever wanted to do was Just make you proud Now I'm sittin in this empty house, **Just reminiscing**

Lookin' at your baby pictures,

It's almost like you're sisters now

Wow, guess you pretty much are

To see how much you both have grown,

It just trips me out

And daddy's still here

Laney I'm talkin' to you too,
Daddy's still here
I like the sound of that, yeah
It's got a ring to it don't it?
Shh, momma's only gone for the moment

Now hush little baby, don't you cry
Everything's gonna be alright
Stiffen that upper lip up little lady,i told ya
Daddy's here to hold ya through the night
I know mommy's not here right now
And we don't know why
We fear how we feel inside
It may seem a little crazy, pretty baby
But i promise momma's gon' be alright

And if you ask me too
Daddy's gonna buy you a mockingbird
I'ma give you the world
I'ma buy a diamond ring for you
I'ma sing for you
I'll do anything for you to see you smile
And if that mockingbird don't sing
And that ring don't shine
I'mma break that birdies neck
I'd go back to the jeweler who sold it to ya
And make him eat every carat
Don't fuck with dad
