

# Mosh – Eminem

"Mosh"

I pledge allegiance to the flag of  
the United States of America  
And to the Republic for which it stands  
One nation under God  
Indivisible with liberty and justice for all  
It feels so good to be back

I scrutinize every word, memorize every line  
I spit it once, refuel, re-energize and rewind  
I give sight to the blind, my insight through the mind  
I exercise my right to express when I feel it's time  
It's just all in your mind, what you interpret it as  
I say to fight, you take it as I'mma whip someone's ass  
If you don't understand, don't even bother to ask  
A father who has grown up with a fatherless past  
Who has blown up now to rap phenomenon that has  
Or at least shows no difficulty multi-task  
And in juggling both perhaps mastered his craft  
Slash entrepreneur who has helped  
launch a few more rap acts  
Who's had a few obstacles  
Thrown his way through the last half  
Of his career typical manure moving past that  
Mr kisses ass crack, he's a class act  
Rubber band man, yea he just snaps back

[Chorus:]

Come along follow me as I lead through the darkness  
As I provide just enough spark that we need to proceed  
Carry on, give me hope, give me strength  
Come with me and I won't steer you wrong  
Put your faith and your trust  
As I guide us through the fog  
To the light at the end of the tunnel

We gonna fight, we gonna charge,  
We gonna stomp, we gonna march  
Through the swamp, we gonna mosh through the marsh  
Take us right through the doors (c'mon)

All the people up top on the side and the middle  
Come together lets all bomb and swamp just a little  
Just let it gradually build from the front to the back  
All you can see is a sea  
Of people some white and some black  
Don't matter what color, all that matters  
we gathered together  
To celebrate for the same cause don't matter the weather  
If it rains let it rain, yea the wetter the better  
They ain't gonna stop us they can't,  
we stronger now more than ever  
They tell us no we say yea, they tell us stop we say go  
Rebel with a rebel yell, raise hell we gonna let em know  
Stomp, push, shove, mush,  
Fuck Bush, until they bring our troops home (c'mon)

[Chorus]

Imagine it pouring, it's raining down on us  
Mosh pits outside the oval office  
Someone's tryina tell us something,  
Maybe this is God just sayin' we're responsible  
For this monster, this coward,  
That we have empowered  
This is Bin Laden, look at his head noddin'  
How could we allow something  
like this without pumping our fists  
Now this is our final hour  
Let me be the voice in your strength and your choice  
Let me simplify the rhyme just to amplify the noise  
Try to amplify the times it, and multiply by six  
Teen million people, Are equal at this high pitch  
Maybe we can reach alqueda through my speech  
Let the president answer a higher anarchy  
Strap him with an Ak-47, let him go, fight his own war

Let him impress daddy that way  
No more blood for oil, we got our own  
Battles to fight on our own soil  
No more psychological warfare,  
to trick us to thinking that we ain't loyal  
If we don't serve our own country,  
we're patronizing a hero  
Look in his eyes its all lies  
The stars and stripes, they've been swiped,  
washed out and wiped  
And replaced with his own face, Mosh now or die  
If I get sniped tonight you know why,  
Cause I told you to fight

[Chorus]

And as we proceed,  
To Mosh through this desert storm,  
In these closing statements, if they should argue  
Let us beg to differ  
As we set aside our differences  
And assemble our own army  
To disarm this Weapon of Mass Destruction  
That we call our President, for the present  
And Mosh for the future of our next generation  
To speak and be heard  
Mr President, Mr Senator  
Do you guy's hear ushear us[laughing] (Hailie)
