I'm not afraid (I'm not afraid) Yeah To take a stand (to take a stand) It's been a ride Everybody (everybody) I guess I had to go to that place Come take my hand (come take my hand) To get to this one We'll walk this road together, Through the storm Now some of you might still be in that place Whatever weather, cold or warm If you're tryna get out (just lettin' you know that you're not alone) Just follow me (holla if you feel Like you've been down the same road) I'll get you there You can try and read my Lyrics off of this paper before I lay 'em But you won't take The sting out these words before I say 'em 'Cause ain't no way I'ma let you stop me From causin' mayhem When I say I'm a do somethin', I do it I don't give a damn what you think I'm doin' this for me, so fuck the world, Feed it beans It's gassed up, if it thinks it's stoppin' me I'ma be what I set out to be, Without a doubt, undoubtedly And all those who look down on me, I'm tearin' down your balcony No if, ands or buts, don't try to ask him Why or how can he From "Infinite" down to the last

"Relapse" album he's still shittin'

Whether he's on salary, paid hourly, until He bows out or he shits his bowels out of him Whichever comes first, for better or worse He's married to the game, Like a fuck you for Christmas His gift is a curse, forget the Earth, he's Got the urge to pull his dick from the dirt And fuck the whole universe I'm not afraid (I'm not afraid) To take a stand (to take a stand) Everybody (everybody) Come take my hand come (come take my hand) We'll walk this road together, Through the storm Whatever weather, cold or warm Just lettin' you know that you're not alone Holla if you feel like you've been down The same road Okay, quit playin' with the scissors and shit , and cut the crap I shouldn't have to rhyme these words in The rhythm for you to know it's a wrap You said you was king You lied through your teeth, for that, Fuck your feelings Instead of gettin' crowned You're gettin' capped, and to the fans I'll never let you down again, I'm back I promise to never go back on that promise In fact, let's be honest, That last "Relapse" CD was eh Perhaps I ran them accents into the ground Relax, I ain't goin' back to that now All I'm tryna say is get back, click-clack, Blaow, 'cause I ain't playin' around There's a game called circle and I don't know how I'm way too up to back down But I think I'm still tryna figure This crap out

Thought I had it mapped out but I guess

I didn't, this fuckin' black cloud

Still follows me around

But it's time to exercise these demons

These muh'fuckers are doin' jumpin' jacks now

I'm not afraid (I'm not afraid)

To take a stand (to take a stand)

Everybody (everybody)

Come take my hand come (come take my hand)

We'll walk this road together,

Through the storm

Whatever weather, cold or warm

Just lettin' you know that you're not alone

Holla if you feel like

You've been down the same road

And I just can't keep living this way

So starting today

I'm breaking out of this cage

I'm standing up, I'ma face my demons

I'm manning up, I'ma hold my ground

I've had enough, now I'm so fed up

Time to put my life back together

Right now (now)

It was my decision to get clean,

I did it for me

Admittedly, I probably did it

Subliminally for you

So I could come back a brand new me,

You helped see me through

And don't realize what you did,

('cause) believe me you

I been through the wringer,

But they could do little to the middle finger

I think I got a tear in my eye,

I feel like the king of

My world, haters can make like bees

With no stingers and drop dead

No more beef lingers,

no more drama from now on

I promise to focus solely on handlin'

My responsibilities as a father So I solemnly swear to always treat This roof like my daughters and raise it You couldn't lift a single shingle on it, 'cause the way I feel I'm strong enough to go to the club Or the corner pub And lift the whole liquor counter up 'cause I'm raising the bar I'd shoot for the moon but I'm too busy Gazin' at stars, I feel amazing and I'm not I'm not afraid (I'm not afraid) To take a stand (to take a stand) Everybody (everybody) Come take my hand come (come take my hand) We'll walk this road together, Through the storm Whatever weather, cold or warm Just lettin' you know that you're not alone Holla if you feel like you've been down The same road
