All i want - Emma Bale

All I want is nothing more To hear you knocking at my door 'Cause if I could see your face once more I could die a happy girl I'm sure When you said your last goodbye I died a little bit inside I lay in tears in bed all night Alone without you by my side But if you loved me Why'd you leave me? Take my body Take my body All I want is, And all I need is To find somebody I'll find somebody like you Oh oh Like you Oh oh Like you Oh oh So you brought out the best of me, A part of me I've never seen You took my soul and wiped it clean Our love was made for movie scenes But if you loved me Why'd you leave me? Take my body, Take my body All I want is. And all I need is To find somebody I'll find somebody Like you Oh oh
