## May it be - Enya

May it be an evening star Shines down upon you May it be when darkness falls Your heart will be true You walk a lonely road Oh! How far you are from home Mornie utulie (darknes has come) Believe and you will find your way Mornie alantie (darknes has fallen) A promise lives within you now May it be the shadows call Will fly away May it be you jorney on To light the day When the night is overcome You may rise to find the sun Mornie utulie (darknes has come) Believe and you will find your way Mornie alantie (darknes has fallen) A promise lives within you now
