

Always – Erasure

Open your eyes, I see
Your eyes are open
Wear no disguise for me
Come into the open
When it's cold (When it's cold)
Outside (outside)
Am I here in vain?
Hold on to the night
There will be no shame
Always, I wanna be with you
And make believe with you
And live in harmony, harmony oh love
(Always) I wanna be with you
And make believe with you
And live in harmony, harmony oh love
(Always)
Melting the ice for me
Jump into the ocean
Hold back the tide, I see
Your love in motion
When it's cold (When it's cold)
Outside (outside)
Am I here in vain?
Hold on to the night
There will be no shame
Always, I wanna be with you
And make believe with you (Always)
And live in harmony, harmony oh love
(Always) I wanna be with you (Always)
And make believe with you (Always)
And live in harmony, harmony oh love
(Always)
When it's cold (When it's cold)
Outside (outside)
Am I here in vain?
Hold on to the night

(When it's cold in the night)
(Where the new love grows)
There will be no shame (no shame)
Always, I wanna be with you
And make believe with you
And live in harmony, harmony oh love
(Always) I wanna be with you
And make believe with you
And live in harmony, harmony oh love
(Always) I wanna be with you
And make believe with you
And live in harmony, harmony oh love
(Always) I wanna be with you
And make believe with you
And live in harmony, harmony oh love
(Always) I wanna be with you
And make believe with you
And live in harmony, harmony oh love
(Always) I wanna be with you
