

# Always – Erasure

Open your eyes, I see  
Your eyes are open  
Wear no disguise for me  
Come into the open  
When it's cold (When it's cold)  
Outside (outside)  
Am I here in vain?  
Hold on to the night  
There will be no shame  
Always, I wanna be with you  
And make believe with you  
And live in harmony, harmony oh love  
(Always) I wanna be with you  
And make believe with you  
And live in harmony, harmony oh love  
(Always)  
Melting the ice for me  
Jump into the ocean  
Hold back the tide, I see  
Your love in motion  
When it's cold (When it's cold)  
Outside (outside)  
Am I here in vain?  
Hold on to the night  
There will be no shame  
Always, I wanna be with you  
And make believe with you (Always)  
And live in harmony, harmony oh love  
(Always) I wanna be with you (Always)  
And make believe with you (Always)  
And live in harmony, harmony oh love  
(Always)  
When it's cold (When it's cold)  
Outside (outside)  
Am I here in vain?  
Hold on to the night

(When it's cold in the night)  
(Where the new love grows)  
There will be no shame (no shame)  
Always, I wanna be with you  
And make believe with you  
And live in harmony, harmony oh love  
(Always) I wanna be with you  
And make believe with you  
And live in harmony, harmony oh love  
(Always) I wanna be with you  
And make believe with you  
And live in harmony, harmony oh love  
(Always) I wanna be with you  
And make believe with you  
And live in harmony, harmony oh love  
(Always) I wanna be with you  
And make believe with you  
And live in harmony, harmony oh love  
(Always) I wanna be with you
