

# Make Me Lose Control – Eric Carmen

I run a comb through my hair and step out  
In the street  
And the city's the color of flame in the  
Midsummer heat, oh yeah  
Jennifer's got her daddy's car, she's  
Playing "Uptown" on the stereo  
We go cruisin' so close, the way they did  
Long ago  
My darlin'  
Turn the radio up for that sweet sound  
Hold me close, never let me go  
Keep this feelin' alive  
Make me lose control  
Baby, baby  
When I look in your eyes, I go crazy  
Fever's high with the lights down low  
Take me over the edge  
Make me lose control  
We put the top down and park with the moon  
In the sky  
And the wind is so hot in our hair, like a  
Fire in July, oh yeah  
Jennifer's singin', "Stand by Me"  
And she knows every single word by heart  
Was love always this good, or could this be  
Just the start?  
Oh darlin'  
Turn the radio up for that sweet sound  
Hold me close, never let me go  
Keep this feelin' alive  
Make me lose control  
Baby, baby  
When I look in your eyes, I go crazy  
Fever's high with the lights down low  
Take me over the edge  
Make me lose control

"Be My Baby" comes on and we're movin' in  
Time  
And the heat from your touch  
Makes me feel like I'm losing my mind,  
Oh yeah  
(And then they played) Back in my arms again  
(We close our eyes) We start rememberin' when  
(We start to kiss) And all the feelings  
Return  
And we just pray that this night never ends  
Oh, my darlin'  
Turn the radio up for that sweet sound  
Hold me close, never let me go  
Keep this feelin' alive make me lose control  
Baby  
When I look in your eyes, I go crazy  
Fever's high with the lights down low  
Take me over the edge  
Make me lose control  
Baby, baby  
Turn the radio up for that sweet sound  
Hold me close, never let me go  
(Keep) Keep this feelin' alive make me  
Lose control  
When I look in your eyes, I go crazy  
Fever's high with the lights down low  
(So take) Take me over the edge make me  
Lose control  
Baby, baby  
Turn the radio up for that sweet sound  
Hold me close, never let me go  
Keep this feelin' alive  
Make me lose control
