

# Change The World – Eric Clapton

If I could reach the stars  
Pull one down for you  
Shine it on my heart  
So you could see the truth  
That this love I have inside  
Is everything it seems  
But for now I find  
It's only in my dreams

That I can change the world  
I would be the sunlight in your universe  
You would think my love was really  
something good  
Baby, if I could change the world

If I could be king  
Even for a day  
I'd take you as my queen  
I'd have it no other way  
And our love would rule  
This kingdom we have made  
Till then I'll be a fool  
Wishin' for the day

That I can change the world  
I would be the sunlight in your universe  
You would think my love was really  
something good  
Baby if I could change the world  
Baby if I could change the world
