

I'd rather go blind – Etta James

Something told me it was over (yeah-yeah)
When I saw you and her talking
Something deep down in my soul
Said, "Cry girl" (cry, cry)
When I saw you and that girl, walking now
Ooh
I would rather, I would rather go blind, boy
Than to see you walk away from me child, no
Ooh
So you see, I love you so much
That I don't want to watch you leave me, babe
Most of all, I just don't
I just don't wanna to be free no, ooh, ooh
I was just, I was just, I
was just sitting here thinking
Of your kiss and your warm embrace, yeah
When the reflection in the glass
That I held to my lips now, baby (yeah, yeah)
Revealed the tears that was on my
Face, yeah, ooh
And babe, baby (baby, baby, baby), I'd
Rather, I'd rather be blind, boy
Than to see you walk away,
See you walk away from me, yeah, ooh
Baby, baby, baby (baby, baby, bay),
I'd rather be blind now
Baby, baby
