

Open your heart – Europe

Oh, ooh, oh yeah

Oooh

Days filled with joy

And days filled with sorrow

I don't know just what to do

Am I happy today, am I lonely tomorrow

Everything depends on you

And I've been waitin'

For the angels to knock on my door

I've been hopin'

That everything could be like before

Open your heart, and tell me what's wrong

Why can't you talk like you used to do before

I don't know if I'm weak

I don't know if I'm strong

Hey girl, I can't cope anymore

And I've been waitin'

For the angels to knock on my door

I've been hopin'

That everything could be like before

Yeah, open your heart, let me hear you

Make up your mind

I want you hear you call

Open your heart, want to come near you

And make your mind, before we lose it all

Oooh

Maybe the time

Has it's own way of healin'

Maybe it dries the tears in your eyes

But never change the way that I'm feelin'

Only you can answer my cries

And I've been waiting

For the angels to knock on my door

I've been hopin'

That everything could be like before, oh yeah

Open your heart, let me hear you

Make up your mind, I want to hear you call
Open your heart, want to come near you
And make up your mind, before we lose it all
Solo
Open your heart, let me hear you
Make up your mind, I want to hear you call
Open your heart, want to come near you
And make up your mind, before we lose it all
Oooh
