## Open your heart - Europe

Oh, ooh, oh yeah Oooh Days filled with joy And days filled with sorrow I don't know just what to do Am I happy today, am I lonely tomorrow Everything depends on you And I've been waitin' For the angels to knok on my door I've been hopin' That everything could be like before Open your heart, and tell me what's wrong Why can't you talk like you used to do before I don't know if I'm weak I don't know if I'm strong Hey girl, I can't cope anymore And I've been waitin' For the angels to knok on my dooor I've been hopin' That everything could be like before Yeah, open your heart, let me hear you Make up your mind I want you hear you call Open your heart, want to come near you And make your mind, before we lose it all Oooh Maybe the time Has it's own way of healin' Maybe it dries the tears in your eyes But never change the way that I'm feelin' Only you can answer my cries And I've been waiting For the angels to knock on my door I've been hopin'

That everything could be like before, oh yeah

Open your heart, let me hear you

Make up your mind, I want to hear you call Open your heart, want to come near you And make up your mind, before we lose it all Solo Open your heart, let me hear you Make up your mind, I want to hear you call Open your heart, want to come near you And make up your mind, before we lose it all
