

# Open your heart – Europe

Oh, oh, oh yeah

Oooh

Days filled with joy

And days filled with sorrow

I don't know just what to do

Am I happy today,

Am I lonely tomorrow

Everything depends on you

And I've been waitin'

For the angels to knock on my door

I've been hopin'

That everything could be like before

Open your heart,

And tell me what's wrong

Why can't you talk like you used to do before

I don't know if I'm weak

I don't know if I'm strong

Hey girl, I can't cope anymore

And I've been waitin'

For the angels to knock on my dooor

I've been hopin'

That everything could be like before

Yeah

Open your heart,

Let me hear you

Make up your mind

I want you hear you call

Open your heart,

Want to come near you

And make your mind,

Before we lose it all

Oooh

Maybe the time

Has it's own way of healin'

Maybe it dries the tears in your eyes

But never change

The way that I'm feelin'  
Only you can answer my cries  
And I've been waiting  
For the angels to knock on my door  
I've been hopin'  
That everything could be like before, oh yeah  
Open your heart,  
Let me hear you  
Make up your mind,  
I want to hear you call  
Open your heart,  
Want to come near you  
And make up your mind,  
Before we lose it all  
Oooh  
Open your heart,  
Let me hear you  
Make up your mind,  
I want to hear you call  
Open your heart,  
Want to come near you  
And make up your mind,  
Before we lose it all  
Oooh
