

# The final countdown – Europe

We're leaving together,  
But still it's farewell  
And maybe we'll come back,  
To earth, who can tell?  
I guess there is no one to blame  
We're leaving ground  
Will things ever be the same again?  
It's the final countdown  
The final countdown  
Ooou! We're heading for Venus  
And still we stand tall  
Cause maybe they've seen us  
And welcome us all yeah  
With so many light years to go  
And things to be found  
I'm sure that we'll all miss her so  
It's the final countdown  
The final countdown  
The final countdown  
(Final countdown)  
Oooooo!  
The final countdown  
Oooooo!  
It's the final countdown  
The final countdown  
The final countdown  
(Final countdown)  
Oooooo!  
It's the final countdown  
We're leaving together  
The final countdown  
We'll all miss her so  
It's the final countdown  
(Final countdown)  
Oooooo!  
It's the final countdown
