

# Ain't no sunshine – Eva Cassidy

Ain't no sunshine when he's gone  
It's not warm when he's away  
Ain't no sunshine when he's gone  
And he's always gone too long  
Anytime he goes away  
I wonder this time where he's gone  
Wonder how long he's gonna stay  
Ain't no sunshine when he's gone  
And this house just ain't no home  
Anytime he goes away  
Well I know, I know, I know, I know  
I know, I know, I know, I know  
I know, I know, I know, I know  
I know, I know, I know, I know  
I know, I know  
Where he's gone  
Oh where he's gone too long  
Anytime he goes away  
Anytime he goes away  
Anytime he goes ooh-oooh
