

Broken Pieces Shine – Evanescence

There is no way back this time
What is real and what is mine?
Ooh, survival hurts
Lose myself or lose my mind
Every time I close my eyes
Ooh, survival hurts
But I keep breathing in, I'm alive
I'm not fine
I don't know if I will be alright
But I have to try
I know you're with me,
so what if we do fall apart?
Give into all that we are
And let all the broken pieces shine
(Shine, shine, shine, shine-)
Shattered inside, looking out
Everything's turned upside down
Ooh, we're not the first
How can we ever be us?
Wondering who we can trust
Ooh, survival hurts
But I'm not giving in, I'm alive
I'm not fine
I don't know if I will be alright
But I have to try
I know you're with me,
so what if we do fall apart?
Give into all that we are
And let all the broken pieces come alive
I don't know if I will ever be alright
But I have to try
And I know you're with me,
So what if we do fall apart?
Shamelessly be who we are
And let all the broken pieces shine
Oh-oh-oh, oh-oh-oh, I'm alive

Oh-oh-oh, oh-oh-oh, oh-oh-oh
Let all the broken pieces shine
Let all the broken pieces shine
Let all the broken pieces shine
Let all the broken pieces shine
