## **Broken Pieces Shine - Evanescence**

There is no way back this time What is real and what is mine? Ooh, survival hurts Lose myself or lose my mind Every time I close my eyes Ooh, survival hurts But I keep breathing in, I'm alive I'm not fine I don't know if I will be alright But I have to try I know you're with me, so what if we do fall apart? Give into all that we are And let all the broken pieces shine (Shine, shine, shine-) Shuttered inside, looking out Everything's turned upside down Ooh, we're not the first How can we ever be us? Wondering who we can trust Ooh, survival hurts But I'm not giving in, I'm alive I'm not fine I don't know if I will be alright But I have to try I know you're with me, so what if we do fall apart? Give into all that we are And let all the broken pieces come alive I don't know if I will ever be alright But I have to try And I know you're with me, So what if we do fall apart? Shamelessly be who we are And let all the broken pieces shine Oh-oh-oh, oh-oh-oh, I'm alive

Oh-oh-oh, oh-oh-oh, oh-oh-oh Let all the broken pieces shine Let all the broken pieces shine Let all the broken pieces shine Let all the broken pieces shine
