

# Forgive Me – Evanescence

Can you forgive me again?  
I don't know what I said  
But I didn't mean to hurt you  
I heard the words come out  
I felt like I would die  
It hurts so much to hurt you

Then you look at me  
You're not shouting anymore  
You're silently broken

I'd give anything now  
To hear those words from you  
Each time I say something I regret  
I cry I don't want to lose you  
But somehow I know that you will never leave me, yeah

'Cause you were made for me  
Somehow I'll make you see  
How happy you make me  
Oh...

I can't live this life  
Without you by my side  
I need you to survive

So stay with me  
You look in my eyes  
And I'm screaming inside that I'm sorry

And you forgive me again  
You're my one true friend  
And I never meant to hurt you
