

Lithium – Evanescence

Lithium, don't want to lock me up inside
Lithium, don't want to forget how it feels without
Lithium, I want to stay in love with my sorrow
Ooooooh but God I want to let it go

Come to bed, don't make me sleep alone
Couldn't hide the emptiness; you let it shown
Never wanted it to be so cold
Just didn't drink enough to say you love me

I can't hold on to me
Wonder what's wrong with me

Lithium, don't want to lock me up inside
Lithium, don't want to forget how it feels without
Lithium, I want to stay in love with my sorrow

Aaaaaaah

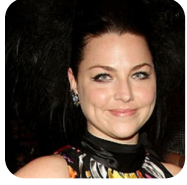

Don't want to let it lay me down this time
Drown my will to fly
Here in the darkness I know myself
Can't break free until I let it go
Let me go

Darling, I forgive you after all
Anything is better than to be alone
And in the end I guess I had to fall
Always find my place among the ashes

I can't hold on to me
Wonder what's wrong with me

Lithium, don't want to lock me up inside
Lithium, don't want to forget how it feels without

Lithium, I want to stay in love with my sorrow
Oh, but, God, I want to let it go
