

# Lithium – Evanescence

Lithium, don't want to lock me up inside  
Lithium, don't want to forget how it feels without  
Lithium, I want to stay in love with my sorrow  
Oh, but God, I want to let it go

Come to bed, don't make me sleep alone  
Couldn't hide the emptiness, you let it show  
Never wanted it to be so cold  
Just didn't drink enough to say you love me

I can't hold on to me,  
Wonder what's wrong with me

Lithium, don't want to lock me up inside  
Lithium, don't want to forget how it feels without  
Lithium, I want to stay in love with my sorrow

Don't want to let it lay me down this time  
Drown my will to fly  
Here in the darkness I know myself  
Can't break free until I let it go  
Let me go

Darling, I forgive you After all,  
Anything is better than to be alone  
And in the end I guess I had to fall  
Always find my place among the ashes

I can't hold on to me,  
Wonder what's wrong with me

Lithium, don't want to lock me up inside  
Lithium, don't want to forget how it feels without  
Lithium, stay in love with you  
I'm gonna let it go
