Lithium – Evanescence

Lithium, don't want to lock me up inside Lithium, don't want to forget how it feels without Lithium, I want to stay in love with my sorrow Oh, but God, I want to let it go

Come to bed, don't make me sleep alone Couldn't hide the emptiness, you let it show Never wanted it to be so cold Just didn't drink enough to say you love me

I can't hold on to me, Wonder what's wrong with me

Lithium, don't want to lock me up inside Lithium, don't want to forget how it feels without Lithium, I want to stay in love with my sorrow

Don't want to let it lay me down this time Drown my will to fly Here in the darkness I know myself Can't break free until I let it go Let me go

Darling, I forgive you After all, Anything is better than to be alone And in the end I guess I had to fall Always find my place among the ashes

I can't hold on to me, Wonder what's wrong with me

Lithium, don't want to lock me up inside Lithium, don't want to forget how it feels without Lithium,stay in love with you I'm gonna let it go
