

# Understanding – Evanescence

(Can't wash it all away)

(Can't Wish it all away)

(Can't hope it all away)

(Can't cry it all away)

The pain that grips you  
The fear that binds you  
Releases life in me  
In our mutual  
Shame we hide our eyes  
To blind them from the truth  
That finds a way from who we are  
Please don't be afraid  
When the darkness fades away  
The dawn will break the silence  
Screaming in our hearts  
My love for you still grows  
This I do for you  
Before I try to fight the truth my final time

Can't wash it all away  
Can't wish it all away  
Can't cry it all away  
Can't scratch it all away

Lying beside you  
Listening to you breathe  
The life that flows inside of you  
Burns inside of me  
Hold and speak to me  
Of love without a sound  
Tell me you will live through this  
And I will die for you  
Cast me not away  
Say you'll be with me  
For I know I cannot

Bear it all alone

Can't fight it all away

Can't hope it all away

Can't scream it all away

It just won't fade away, No

Can't wash it all away

Can't wish it all away

Can't cry it all away

Can't scratch it all away

(Can't fight it all away)

(Can't hope it all away)

Can't scream it all away

Ooh, it all away

Ooh, it all away
