

More Than Words – Extreme

Saying I love you
Is not the words I want to hear from you
It's not that I want you
Not to say, but if you only knew
How easy
It would be to show me how you feel
More than words
Is all you have to do to make it real
Then you wouldn't have to say
That you love me
'Cause I'd already know

What would you do
If my heart was torn in two
More than words to show you feel
That your love for me is real
What would you say
If I took those words away
Then you couldn't make things new
Just by saying I love you

(instrumental)

Now that I've tried to
Talk to you and make you understand
All you have to do is
Close your eyes
And just reach out your hands
And touch me
Hold me close don't ever let me go
More than words
Is all I ever needed you to show
Then you wouldn't have to say
That you love me
'Cause I'd already know

What would you do
If my heart was torn in two
More than words to show you feel
That your love for me is real
What would you say
If I took those words away
Then you couldn't make things new
Just by saying I love you
