There You 'll be - Faith Hill

When I think back on these times And the dreams we left behind I'll be glad 'cause I was blessed to get to have you in my life When I look back on these days I look and see your face You were right there for me In my dreams, I'll always see you soar above the sky In my heart, there'll always be a place for you for all my life I'll keep a part of you with me And everywhere I am, there you'll be And everywhere I am, there you'll be Well, you showed me how it feels To feel the sky within my reach And I always will remember All the strength you gave to me Your love made me make it through Oh, I owe so much to you You were right there for me In my dreams, I'll always see you soar above the sky In my heart, there'll always be a Place for you for all my life I'll keep a part of you with me And everywhere I am, there you'll be 'Cause I always saw you in my light, my strength And I wanna thank you now for all the ways You were right there for me (You were right there for me)

You were right there for me
For always
In my dreams,
I'll always see you soar above the sky
In my heart,
There'll always be a
Place for you for all my life
I'll keep a part of you with me
And everywhere I am, there you'll be
And everywhere I am, there you'll be
There you'll be
