## **Evidence - Faith No More**

If you want to open the hole

Just put your head down and go

Step beside the piece of circumstance

Got to wash away the taste of evidence

Wash it away

(Evidencegot a taste of evidence)
I didn't feel a thing
It didn't mean a thing

Look in the eye and testify; I didn't feel a thing

Anything you say, we know you're guilty

Hands above your head and you won't even feel me

I didn't feel a thing
It didn't mean a thing
Look in the eye and testify;
I didn't feel a thing
(Evidencegot a taste of evidence)

I didn't feel a thing
It didn't mean a thing
Look in the eye and testify;
I didn't feel a thing
I didn't feel a thing
It didn't mean a thing

Look in the eye and testify; I didn't feel a thing
