

# Just a Man – Faith No More

Sky is clear tonight  
Sky is clear tomorrow

A star is out  
I reach for one to sparkle in my hand

A star is out  
I will not touch you, I am just a man

Sky is clear tonight  
Sky is clear tomorrow

And every night I shut my eyes  
So I don't have to see the light

Shining so bright  
I'll dream about a cloudy sky,  
A cloudy sky

Sky is clear tonight  
Sky is clear tomorrow

A star is out  
I reach for one to sparkle in my hand

A star is out  
I will not touch you, I am just a man

Man was born to love-  
Though often he has sought  
Like icarus, to fly too high-  
And far too lonely than he ought  
To kiss the sun of east and west  
And hold the world at his behest-  
To hold the terrible power  
To whom only gods are blessed-

But me, I am just a man

And every night I shut my eyes  
So I don't have to see the light

Shining so bright  
I'll dream about a cloudy sky,  
a cloudy sky

And every night I shut my eyes  
But now I've got them open wide

You've fallen into my hands

And now you're burning me  
You're burning me
