

# Hold Me Tight Or Don't – Fall Out Boy

I never really feel a thing  
I'm just kinda too froze  
You were the only one  
That even kinda came close  
I just pinch myself  
No longer comatose  
I woke up no luck  
I woke up no luck

And when your stitch comes loose  
I want to sleep on every piece of fuzz  
And stuffing that comes out of you, you  
I took too many hits off this memory  
I need to come down

Another day goes by  
So hold me tight  
Hold me tight or don't  
Oh no no no no, this isn't how our story ends  
So hold me tight  
Hold me tight or don't

I got too high again  
I realized I can't not be with you  
Or be just your friend  
I love you to death but I just can't  
I just can't pretend  
We were lovers first  
Confidants but never friends  
Were we ever friends?

But when your stitch comes loose  
I want to sleep on every piece of fuzz  
And stuffing that comes out of you, you  
I took too many hits off this memory  
I need to come down

Another day goes by  
So hold me tight  
Hold me tight or don't  
Oh no no no no, this isn't how our story ends  
So hold me tight  
Hold me tight or don't

Hold me tight or don't

Cause I'm past the limits  
The distance between us, it sharpens me like a knife  
Past the limits  
The distance between us, it sharpens me like a knife

Another day goes by  
So hold me tight  
Hold me tight or don't  
I'm pretty sure that this isn't how our story ends  
So hold me tight  
Hold me tight or don't
