

D.I.S.C.O. – Fancy

So many days without action,
So many nights without love
How can I get satisfaction
When life's not hard enough
I wanna dance forever, I wanna be
A part
Of the world, that's moving like
Crazy
I wanna feel the heat in my heart
DISCO Lust for life
The only thing I know: We will
Survive
Come on DISCO Lust for life
Oh baby can't you feel, it's my lustfor life
So many dreams last forever,
So many tears of the clown
Let's keep emotions together
Tonight in twilight town
I wanna dance forever, I wanna be
A part
Of the world, that's moving like
Crazy
I wanna feel the heat in my heart
DISCO Lust for life
The only thing I know: We will
Survive
Come on DISCO Lust for life
Oh baby can't you feel, it's my lustfor life
I wanna dance forever, I wanna be
A part
Of the world, that's moving like
Crazy
I wanna feel the heat in my heart
DISCO Lust for life
The only thing I know: We will
Survive

Come on DISCO Lust for life
Oh baby can't you feel, it's my lustfor life
It's my lust for life
