Blueberry hill - Fats Domino

I found my thrill on blueberry hill On blueberry hill when I found you The moon stood still On blueberry hill And lingered until My dreams came true The wind in the willow played Love's sweet melody But all of those vows we made Were never to be Tho' we're apart, You're part of me still For you were my thrill On blueberry hill The wind in the willow played Love's sweet melody But all of those vows we made Were never to be Tho' we're apart, You're part of me still For you were my thrill On blueberry hill
