

Can't Let Go – Faydee

Can't live a day without you baby

Oh no

If you're not here I don't know what I'm living for

You stared right in my eyes and said

Go slow

'Cause you've been hurt real bad not once but twice before

I I I I

I don't wanna fi-i-i-ight

You wanna say you trust me now but then you go

and change your mind

Whyyy?

Do it every ti-i-i-ime

Just because he hurt you bad it's in the past

I just wanna love you right then

She said don't let go

'Cause I've been hurt before

Said I've been hurt before

Yes, I've been hurt before

So I said oh no no no

No, I won't let you go

No, I won't let you go

No, I I can't let you go

I can't let go

Even if I tried

I can't, I can't sleep at night

Swallow my pride and let it die

'Cause I I can't let go

Even if I tried

I can't, I can't sleep at night I

I can't, I can't say goodbye

'Cause I I can't let go

Nobody seems to understand
Why I stay
When I know you'll end up pushing me away
You got me working overtime all day
And just to see that pretty smile upon your face

I I I I

I don't wanna fi-i-i-ight
You wanna say you trust me now but then you go
and change your mind
Whyyy?
Do it every ti-i-i-ime
Just because he hurt you bad it's in the past
I just wanna love you right then

She said don't let go
'Cause I've been hurt before
Said I've been hurt before
Yes, I've been hurt before

So I said oh no no no
No, I won't let you go
No, I won't let you go
No, I I can't let you go

I can't let go
Even if I tried
I can't, I can't sleep at night
Swallow my pride and let it die
'Cause I I can't let go
Even if I tried
I can't, I can't sleep at night I
I can't, I can't say goodbye
'Cause I I can't let go

I can't let gooo, wooh, wooh

Can't let can't let can't let
I can't let go
Even if I tried

I can't, I can't sleep at night
Swallow my pride and let it die
'Cause I I can't let go
Even if I tried
I can't, I can't sleep at night I
I can't, I can't say goodbye
'Cause I I can't let go

Can't live a day without you baby
Oh no
If you're not here I don't know what I'm living for
