

# Can't let go – Faydee

Can't live a day without you baby

Oh no

If you're not here I don't know what I'm living for

You stared right in my eyes and said

Go slow

'Cause you've been hurt real bad not once but twice before

I I I I

I don't wanna fi-i-i-ight

You wanna say you trust me now

But then you go and change your mind

Whyyy?

Do it every ti-i-i-ime

Just because he hurt you bad it's in the past

I just wanna love you right then

She said don't let go

'Cause I've been hurt before

Said I've been hurt before

Yes, I've been hurt before

So I said oh no no no

No, I won't let you go

No, I won't let you go

No, I I can't let you go

I can't let go

Even if I tried

I can't, I can't sleep at night

Swallow my pride and let it die

'Cause I I can't let go

Even if I tried

I can't, I can't sleep at night I

I can't, I can't say goodbye

'Cause I I can't let go

Can't can't can't go  
Can't can't can't go  
Can't can't can't go  
Can't can't can't go

Nobody seems to understand  
Why I stay  
When I know you'll end up pushing me away  
You got me working overtime all day  
And just to see that pretty smile upon your face

I I I I  
I don't wanna fi-i-i-ight  
You wanna say you trust me now  
But then you go and change your mind  
Whyyy?  
Do it every ti-i-i-ime  
Just because he hurt you bad it's in the past  
I just wanna love you right then

She said don't let go  
'Cause I've been hurt before  
Said I've been hurt before  
Yes, I've been hurt before

So I said oh no no no  
No, I won't let you go  
No, I won't let you go  
No, I I can't let you go

I can't let go  
Even if I tried  
I can't, I can't sleep at night  
Swallow my pride and let it die  
'Cause I I can't let go  
Even if I tried  
I can't, I can't sleep at night I  
I can't, I can't say goodbye  
'Cause I I can't let go

Can't can't can't go  
Can't can't can't go  
Can't can't can't go  
Can't can't can't go

I can't let gooo, wooh, wooh

Can't let can't let can't let

I can't let go

Even if I tried

I can't, I can't sleep at night

Swallow my pride and let it die

'Cause I I can't let go

Even if I tried

I can't, I can't sleep at night I

I can't, I can't say goodbye

'Cause I I can't let go

Can't live a day without you baby

Oh no

If you're not here I don't know what I'm living for
