

# Unbreakable – Faydee

Times like this, I wish I never existed  
Nobody wants to listen  
I'm screaming out for help  
Times like this, I wish that I could let go  
And open up a window, free to be myself  
But then there's you  
Standing over me, tryina make a fool of me  
Tryina get the best of me  
Oh, then there's you  
Tryina shut me out,  
Tryina kick me when I'm down  
That ain't gonna stop me now, no  
How does it feel  
To know that I don't care at all?  
Your words don't mean a thing at all  
I choose to rise, you choose to fall (ahh)  
How does it feel to know that I am capable?  
Of more than you will ever know (ahh)  
Don't tell me I'm not good enough (ohh)  
Don't you bring me down (ohh)  
I'm moving up (ohh) and you're over now (ohh)  
You gave me fire (ohh)  
Everytime you came around (ohh)  
My feet are steady on the ground (ohh)  
And you won't knock me down  
No more, oho, oho, oho  
Now I'm unbreakable  
Oho, oho, oho  
Now I'm unbreakable
