

Gromee – Fearless

Under the darkness
You cannot breath
In the mouth of madness
You are not free

Looking for answers
And all the wrong faces
You keep changin' your mind
If only you see me
If only you trust me
I turn your world around

I'm fearless
In my love
In my heart
/2x

Fearless /2x

Feeling your fire
I'm able to reach
Your weakness decease

Looking for answers
And all the wrong faces
You keep changin' your mind
If only you see me
If only you trust me
I turn your world around

I'm fearless
In my love
In my heart
/2x

Fearless /2x

I'm fearless
In my love
In my heart
/2x
