

Call It Love – Felix Jaehn & Ray Dalton

Sing it back to me, sing it back to me now

Why don't we call it love, call it love?

Two hearts in a billion, one of all into you

Make me want to shout it out,

Like a hallelujah

'Cause time like these, times like these

Don't come and go

We're two hearts in a billion,

Singing hallelujah

Hey, there's something in the air tonight

Way up in the blades of gold

Hey, there's something in the air tonight

Say, I feel it in the sky above,

And way down in the waves below

Hey, I feel it in the sky above

Why don't we call it love?

Sing it back to me, sing it back to me now

Why don't we call it love, call it love?

Sing it back to me, sing it back to me now

Why don't we call it love, call it love?

Why don't we call it love, call it love?

Why don't we call it love, call it love?

No sleep, running on a dream,

Down the golden coastline

You give me all I need, I'm like oh my oh-my

'Cause time like these,

Times like these don't come and go

No sleep, running on a dream,

I'm like oh-my oh-my

Hey, there's something in the air tonight

Way up in the blades of gold

Hey, there's something in the air tonight

Say, I feel it in the sky above,

And way down in the waves below

Hey, I feel it in the sky above

Why don't we call it love?

Sing it back to me, sing it back to me now
Why don't we call it love, call it love?
Sing it back to me, sing it back to me now
Why don't we call it love, call it love?
Sing it back to me, sing it back to me now
Why don't we call it love, call it love?
Sing it back to me, sing it back to me now
Why don't we call it love, call it love?
