

Work from home – Fifth Harmony

I ain't worried 'bout nothin'
I ain't wearin' na nada
I'm sittin' pretty, impatient, but I know you gotta
Put in them hours, I'mma make it harder
I'm sending pic after picture, I'mma get you fired

I know you're always on the night shift
But I can't stand these nights alone
And I don't need no explanation
'Cause baby, you're the boss at home

You don't gotta go to work, work, work, work, work
But you gotta put in work, work, work, work, work
You don't gotta go to work, work, work, work, work
Let my body do the work, work, work, work, work, work
We can work from home, oh, oh, oh-oh
We can work from home, oh, oh, oh-oh

Let's put it into motion
I'mma give you a promotion
I'll make it feel like a vacay, turn the bed into an ocean
We don't need nobody, I just need your body
Nothin' but sheets in between us,
Ain't no getting off early

I know you're always on the night shift
But I can't stand these nights alone
And I don't need no explanation
'Cause baby, you're the boss at home

You don't gotta go to work, work, work, work, work
But you gotta put in work, work, work, work, work
You don't gotta go to work, work, work, work, work
Let my body do the work, work, work, work, work, work
We can work from home, oh, oh, oh-oh
We can work from home, oh, oh, oh-oh

[Ty Dolla \$ign:]

Girl, go to work for me

Can you make it clap, no hands for me?

Take it to the ground, pick it up for me

Look back at it all over me

Put in work like my timesheet

She ride it like a '63

I'mma buy her no Celine

Let her ride in a foreign with me

Oh, she the bae, I'm her boo

And she down to break the rules

Ride or die, she gon' go

I won't judge, she finesse

I pipe up, she take that

Putting overtime on your body

You don't gotta go to work, work, work, work, work

But you gotta put in work, work, work, work, work

You don't gotta go to work, work, work, work, work

Let my body do the work, work, work, work, work, work

We can work from home, oh, oh, oh-oh

We can work from home, oh, oh, oh-oh

Yeah, we can work from home

Yeah, we can work from home

Yeah
