## Tell It To My Heart – Filatov & Karas

I feel the night explode When we're together Emotion overload In the heat of pleasure

Take me I'm yours Into your arms Never let me go Tonight I really need to know

Tell it to my heart Tell me I'm the only one Is this really love or just a game? Tell it to my heart I can feel my body rock Every time you call my name

The passion's so complete It's never ending As long as I receive The message you're sending

Body to body Soul to soul Always feel you near So say the words I long to hear

Tell it to my heart Tell me I'm the only one Is this really love or just a game? Tell it to my heart I can feel my body rock Every time you call my name

Love, love on the run Breakin' us down Though we keep holdin' on I don't want to lose No, I can't let you go

Tell it to my heart Tell me I'm the only one Is this really love or just a game? Tell it to my heart I can feel my body rock Every time you call my name
