

# Break My heart – Finneas

Hey, you  
I'm just now leaving  
Can I come around later on this evening?  
Or do you need time?  
Yes, of course, that's fine  
Hey, you  
Good morning  
I'm sure you're busy now, why else would you  
Ignore me?  
Or do you need space?  
You can't help it if your mind has changed  
So go ahead and break my heart again  
Leave me wondering why the hell I ever let  
You in  
Are you the definition of insanity?  
Or am I?  
Oh, it must be nice  
To love someone who lets you break them twice  
You're so blue  
Are you still breathing?  
Won't you tell me if you found that deeper  
meaning?  
Do you think I've gone blind?  
I know it's not the truth when you say,  
"I'm fine"  
So go ahead and break my heart again  
Leave me wonderin' why the hell I ever let  
You in  
Are you the definition of insanity?  
Or am I?  
Oh, it must be nice  
To love someone who lets you break them twice  
So don't pretend that I'm the instigator  
You were the one, but you're born to say  
Goodbye  
Kissed me half a decade later

That same perfume, those same sad eyes  
Go ahead and break my heart again  
Leave me wonderin' why the hell I ever let  
you in  
Are you the definition of insanity?  
Or am I?  
Or am I?  
Must be nice  
To love someone who lets you break them twice
