

For Cryin' Out Loud! – Finneas

Maybe it's me, or maybe it's you
Maybe I never learned my lesson
Someone to seek, someone to soothe
Someone to answer all your questions
I don't know what to tell ya
Maybe I never knew
Not tryna make you jealous
But it looks so good on you
Been stuck on elevators
In airports and empty rooms
Been stuck here, waiting for you
For cryin' out loud
I'm calling your name
You're wearing me out
But I love you the same
For cryin' out loud
Your heart is a maze
You're running your mouth
But I'm singing your praises
(Ooh-ooh-ooh)
All of your clothes all over the floor
All of it happened in a hurry
Show me the ropes, then you show me the door
Why don't you show me why you're so worried?
You're sweating off your makeup
You're running every light
What's gonna help you wake up
Won't help you sleep at night
Sometimes I see the future
Sometimes I'm not so bright
Sometimes you're looking for a fight
For cryin' out loud
I'm calling your name
You're wearing me out
But I love you the same
For cryin' out loud

Your heart is a maze
You're running your mouth
But I'm singing your praises
Ooh-ooh-ooh
Ooh-ooh-ooh
For cryin' out loud
I'm calling your name
You're wearing me out
But I love you the same
For cryin' out loud
Your heart is a maze
You're running your mouth
But I'm singing your praises
Watch what you say when you're talking to me
The meaner you are, the harder to leave
Walking away with your kiss on my cheek
And a bruise underneath
For cryin' out loud
