

# Witness the end – Fit For A King ft Chris Motionless

Open your eyes and see  
The unknown, my visions have turned divine  
A taste of false eternity,  
the venom intertwines  
Drink in the promise,  
Let it flood your veins  
The fire will wash it away  
Bow to the God who's rotting inside,  
in worship, we will welcome the night  
Witness the end  
Witness the end of everything  
Losing our faith in what we used to know  
Waiting to breathe again,  
Choking on every sin  
Don't me go, deliver me divinity  
Let it flood your veins  
One by one they fall to their knees,  
their cries of devotion diseased  
The chalice spills with corruptions grace,  
I watch the light drain from their face  
I reached for the heavens,  
but only found hell  
A God unworthy of the gift  
that brought them to their knee's  
As they descend, witness the end  
Witness the end of everything  
Losing our faith in what we used to know  
Waiting to breathe again,  
choking on every sin  
Don't me go, deliver me divinity  
The lies I sold are etched in their flesh  
, each broken body  
A servant of death  
Witness the end of everything  
Losing our faith in what we used to know

Waiting to breathe again,  
choking on every sin  
Don't me go, deliver me divinity  
Witness the end
