

Everywhere – Fleetwood Mac

Can you hear me calling
Out your name
You know that I'm falling
And I don't know what to say

I'll speak a little louder
I'll even shout
You know that I'm proud
And I can't get the words out

Oh I
I want to be with you everywhere
Oh I
I want to be with you everywhere
Wanna be with you everywhere

Something's happening
Happening to me
My friends say I'm acting peculiarly

Come along baby
We better make a start
You better make it soon
Before you break my heart

Oh I
I want to be with you everywhere
Oh I
I want to be with you everywhere
Wanna be with you everywhere

Can you hear me calling

Out your name
You know that I'm falling
And I don't know what to say

Come along baby
We better make a start
You better make it soon
Before you break my heart

Oh I
I want to be with you everywhere
Oh I
I want to be with you everywhere
Oh I
I want to be with you everywhere
Oh I
I want to be with you everywhere
Wanna be with you everywhere
