Dream - Fleetwood Mac (Scary Pockets version)

Now here you go again, you say

You want your freedom

Well, who am I to keep you down?

It's only right that you should play

the way you feel it

But listen carefully to the sound

Of your loneliness

Like a heartbeat drives you mad

In the stillness of remembering what you had

And what you lost

And what you had

And what you lost

Oh, thunder only happens when it's raining

Players only love you when they're playing

Say, women, they will come and they will go

When the rain washes you clean, you'll know

You'll know

Now here I go again, I see

The crystal visions

I keep my visions to myself

It's only me who wants to

Wrap around your dreams

And have you any dreams you'd like to sell?

Dreams of loneliness

Like a heartbeat drives you mad

In the stillness of remembering what you had

And what you lost

And what you had

Oh, what you lost

Thunder only happens when it's raining

Players only love you when they're playing

Women, they will come and they will go

When the rain washes you clean, you'll know

You'll know

You will know

Oh, you'll know
