

# Seven Wonders – Fleetwood Mac

So long ago  
Certain place  
Certain time  
You touched my hand  
On the way  
On the way down to Emmeline  
But if our paths never cross  
Well, you know I'm sorry, but  
If I live to see the seven wonders  
I'll make a path to the rainbow's end  
I'll never live to match the beauty again  
The rainbow's edge  
So it's hard to find  
Someone with that kind of intensity  
You touched my hand, I played it cool  
And you reached out your hand to me  
But if our paths never cross  
Well, no, I'm not sorry, but  
If I live to see the seven wonders  
I'll make a path to the rainbow's end  
I'll never live to match the beauty again  
The rainbow's edge  
So long ago  
It's a certain time  
It's a certain place  
You touched my hand and you smiled  
All the way back you held out your hand  
If I hope and if I pray  
Ooh it might work out someday  
If I live to see the seven wonders  
I'll make a path to the rainbow's end  
I'll never live to match the beauty again  
If I live to see the seven wonders  
I'll make a path to the rainbow's end  
I'll never live to match the beauty again  
If I live to see the seven wonders

I'll make a path to the rainbow's end  
I'll never live to match the beauty again
